

# Jared Inya-Agha

Electrical/Software Engineer

Atlanta, GA

404-519-0556

jaredinyaagha@gmail.com

## EDUCATION —

*Bachelor of Science  
Electrical Engineering  
(BSEE)*

*Georgia Southern University  
Statesboro, GA  
May 2020*

*Coding Bootcamp*

*Georgia Institute of Technology  
Atlanta, GA  
Expected February 2022*

## Certifications —

*FE (Fundamentals of  
Engineering)*

*Electrical & Computer  
National Council of Examiners  
Engineering and Survey  
January 2021*

## EXPERIENCE

*August 2020 – Current*

Electrical Engineer I • Key Engineering Group, Inc.

- Design and build electrical systems
- Systems installation and maintenance
- Prepare commercial project specifications
- Create test procedures
- Formulate cost and labor estimates
- Resolve electrical projects

*January 2018 – May 2020*

Lab Assistant • Bio-Inspired Robotics Laboratory • Georgia Southern University

*January 2018 – May 2020*

Teaching Assistant • Technology (CEIT) • Georgia Southern University

## TECHNICAL SKILLS

Software: MATLAB • C/C++ • VHDL • JavaScript • Arduino IDE

AutoCAD Hardware: Field Programmable Gate Arrays •  
Microcontrollers • Arduino • Raspberry Pi

## ENGAGEMENT

- National Society of Black Engineers (NSBE)  
Telecommunications Executive Chair
- Georgia Southern Robotics Team (IEEE) Active Member
- Student African American Brotherhood (SAAB) Service-Learning Community

## PROFESSIONAL SKILLS

Business Maturity • Computer Literacy (Advanced) • Corporate & Social Responsibility • Communications  
• Decision Making • Presentation Skills • Project Management • Strategic and Tactical Planner
